Health News - Health Ministry

It's a new year & it's time to get healthy! What can I do to improve my health you may ask? First get the basics down: eat healthy, exercise, decrease stress, lose weight, quit smoking, & have regular health check-ups. Over the next few weeks we will give you some tips & tricks to help you succeed.

Eating a diet that includes vegetables, fruits, whole grains, fat-free or low-fat milk products, seafood, poultry, lean meats, eggs, beans, & nuts can help you meet the vitamin, mineral, & nutrient needs of your body. It is important to limit cholesterol, salt, added sugars, trans & saturated fats. Look at the health ministry bulletin board for more info.
